01 PRODUCT OVERVIEW

Purpose: Establish the professional mentorship, leadership, and industry engagement platform of the ANCR™ ecosystem. Creator First™ principle: lifelong professional relationships begin on day one.

COHEIR™ connects students, educators, executives, employers, artists, alumni, and industry professionals into one verified professional network where mentorship, guidance, portfolio reviews, career development, and lifelong relationships become part of every creator's journey.

Unlike LinkedIn or Handshake, COHEIR™ is built specifically for creative education and verified professional development.

PRODUCT NAME	COHEIR™
TAGLINE	Where Education Meets Industry.
PROGRAM	CCDP™
POWERED BY	ANCR™

02 PRODUCT VISION

Education should never exist apart from industry.

COHEIR™ creates a lifelong professional network where every student enters on day one and remains connected throughout their creative career.

Every mentorship session. Every recommendation. Every portfolio review. Every industry relationship.

Each one becomes part of a creator's verified professional history.

03 CORE PHILOSOPHY

Relationships create opportunity.

Mentorship accelerates growth.

Professional trust is earned through verified experience.

Education continues long after graduation.

10 AUTHENTICATION

COHEIR™ uses ANCRID™ exclusively.

No independent login. Permissions and identity are inherited from ANCRID™.

11 DESIGN LANGUAGE

The production application should preserve the design language established in the prototype:

- Premium dark interface
 - Obsidian black foundation
 - Electric Blue, Violet, Magenta, and Amber accents
 - Glassmorphism
 - Editorial layouts
- Executive profile design
 - Large professional photography
 - Spacious card layouts
 - Motion-rich interactions
 - Shared ANCR™ navigation

COHEIR™ should feel like Apple, MasterClass, Linear, Arc Browser, and Carta combined, designed specifically for mentorship and professional relationships rather than social networking.

12 FUTURE ROADMAP

Future enhancements may include:

- Verified Industry Boards
- Executive Advisory Circles
- Global Mentor Matching
- AI Career Coaching Paths
- Conference Networking
- Institution Partnerships
- Professional Certifications
- Alumni Giving Platform
- Sponsored Industry Challenges
- Continuing Education Programs

13 ENGINEERING NOTES

- COHEIR™ owns mentorship and professional engagement workflows only.
- Identity remains within ANCRID™.
- Portfolio assets are referenced from source modules rather than duplicated.
- Publishing information is consumed from INHEIRA™.
- Career readiness is consumed from ANCRLaunch™.
- Professional reputation is consumed from ANCRD™.
- Session history should automatically create verified Creator Passport™ events.
- The production build should preserve the navigation, interaction patterns, visual hierarchy, animations, and premium experience established in the prototype while allowing engineering flexibility behind the scenes.

Engineering Principle

COHEIR™ is the professional relationship platform of the ANCR™ ecosystem. It should never become the source of truth for identity, publishing, education, finance, or portfolio data. Instead, it connects verified creators with educators, mentors, employers, and industry professionals while recording meaningful professional interactions as part of each creator's lifelong verified history.

Engineering Roadmap

Prototype Status

The current prototype serves as the visual and interaction reference for production. The production implementation should preserve the established navigation, workflows, user experience, motion, and design language while being rebuilt on the final engineering architecture.
